

Wickham Primary Health Medical Centre
Our Services
General Practice

Wickham Primary Health Medical Centre provides the local community of Wickham and surrounds with comprehensive medical care for individuals and families. The General Practitioners and staff strive to provide a high standard of service in a caring environment to all clients at every encounter. The centre is committed to promoting health and well being, as well as preventing and managing illness and works with patients to promote key health initiatives such as annual health checks and chronic disease management.

Occupational Health

Wickham Primary Health Medical Centre occupational health services include pre-employment medical assessments, commercial drivers medicals and drug and alcohol screening.

About Us

Wickham Primary Health Medical Centre is managed and operated by the Pilbara Health Network and gratefully acknowledges the substantial support provided by Rio Tinto.
